THIRD CHOLERA SUSPECT DEAD.

Dr. Cooney Says He Thinks Crowe Had Severe Cholers Morbus.

The third of Jersey City's suspected cholera cases has proven fatal. Martin Crowe, an attache of the Jersey City Hospital, who was stricken on Monday night, died shortly after midnight. The body was buried early this morning by order of Health Inspector Benjamin in Potter's Field. The body of Mrs. Josephine Smith, who died of suspected cholera in the hospital vesterday morning, was buried in Potter's Field in the nocn. Mrs. Smith's relatives refused to

erll for her body. Crowe attended Mrs. Smith, and it is suspected that he caught the malady from her. Dr. John T. Cooney, the was vacant. The Liberals and Radicals House Surgeon, says he thinks Crowe party leaders were cheered as they entered, but no great enthusiasm was flammation of the colon, a part of the iam Morton, died of entero-colitis, an inshown until Mr. Gladstone and John intestines.

shown until Mr. Gladstone and John Moriey came in together. Then the Irish members rose, the Liberals and Radicals joined them, and for nearly two minutes the House rang with shouts.

Before Mr. Gladstone rose to move the third reading a few amendments were added to the bill at the instance of Mr. Moriey. Chief Secretary for Ireland, After they had been disposed of without debate Mr. Gladstone rose amid a storm of cheers. He began his speech with reference to the criticisms made by Unionist leaders on the historical precedents he had cited on former occasions for Home Rule in Ireland.

The Opposition, he said, had contended that in no other countries could analogies be found for changing the union between Great Britain and Ireland.

The quarantine or the colon, a part of the intestines.

This is a disease, the doctor says, which is a species of cholera morbus, which is a species of cholera morbus, with symptoms very similar to the Asiatic cholera.

"When there is a slight suspicion of Asiatic cholera. "Said Dr. Cooney, "we take as great precaution as though we were sure of it. It is my opinion that these cases are cholera morbus in its most fatal form. Both the patients who diel in the hospital gave histories to which restraint which is usual in cases of Asiatic cholera.

"Mrs. Smith said that Morton, who was the first to die and was not taken from his house, had been indulging freely in fruit. We may have a microscopic examination of the excreta, which would prove be ond question what the sickness was. County Physician Converse and Visiting Physician Hummel agree with me in their opinions of these cases."

The quarantine on Morton's house, No.

cases."

The quarantine on Morton's house, No. 3 State street, and the three neighboring houses, was removed by Police Superintendent Smith late last night on the advice of the Health Inspector, and was not resumed to-day. the United States and in the British

ECKELS IN SOLE CONTROL.

An Important Decesion Regarding Suspended Banks.

WASHINGTON, Aug. 30.-Comptroller Eckels is informed that the court has sustained him in the case of the Wash-ington Nationtl Bank, of Tacoma. The hank officials desired to resume, but as LOW WATER TO-DAY. Eckels is informed that the court has garded as important, sustaining the right of the Comptroller of the Currency, as it does, to the sole control of suspended banks.

WHO HAS THE WATCH? Thompson Says McLaughlin, Who

Says It's Stolen. Daniel McLaughlin, a watchmaker, o is South street. Brooklyn, was arraigned in the Tombs tolday on the charge of steading a gold watch belonging to John Thompson, a saloon-keeper at 6 and 8 New street.

New street.
Thompson said he gave the watch to McLaughtin for repairs and was neverable to get it back. He had authorized McLaughtin to sell it for him for \$50.

Not long ago, Thompson says, McLaughtin told him the watch had been stolen from him Thompson then had be Laughtin arrested.

The prisoner was paroled in the charge of his counsel on his promise to see what he could do to get the watch.

Stationer Gaston Fails. SOMERVILLE, N. J., Aug. no.-James Gasion, a local stationer here, has failed with liabilities amounting to \$3,000, while his essets will reach about \$2,500. Yesterday he made ten chattel mortgages securing the home creditors. The other creditors will probably lose everything.

ITALIAN MURDERER WANTED.

Last Day of Camp Meeting OCEAN GROVE, N. J., Aug. 30. - This is the Carlatalee's Stiletre. last regular day of the Great Ocean Grove YONKERS, N. Y., Aug. 30.-The po ice of this city have not yet arrested Angelo Carlatalee, the Italian who stabled and killed a fellow-countryman

named Raffacio Lasso at Bryn Mawr last night. The murder occurred about 8 o'clock. but the Yonkers police were not notibut the lonkers police were not noti-fied until three hours later. Capt. Mangin said this morning that the murderer had ample opportunity to get away, and was probably now in New York City. Capt. Mangin has notified Supt. Byrnes and his men to search through the Italian settlement. Two Italians who were witnesses to the murder are detained at Police Head-quarters.

the murder are detained at Police Head-quarters.

As far as can be learned Carlatalee and Lesso were employed in a gang of Italian laborers on the new water works at Bryn Mawr Park, near the Northern Raiiroud, and lived in a shanty Northern Railroad, and lived in a shanty near the works. Last night the two men became involved in a quarrel about some trivial matter, when Carlatales drew a stiletto and plunged it into Lasso's neck, almost severing the jugu-lar vein.

When last seen the murderer was run-ning down the Northern Railroad track near New York.
